Submission Guidelines

Artwork Requirements

- Due to the nature of the space, we can accommodate wall-mounted works only.
- Submitted work must be original (designed and created by the applicant).
- Artists may submit up to three works of art (one image per work).
- If applicable, the frame should be included when listing artwork dimensions.
- Image formatting: files must be submitted as .jpg or .png, with a minimum width of 620px and a maximum file size of 2mb (for each image).
- Proposals for work to be completed must include at least one image representative of the work, along with a detailed description of the piece (medium, size, concept, etc.) in the provided space within the submission form. Please note that any accepted work that differs from the digitally juried image may be excluded from the exhibition at the curators' discretion.
- Please note that a brief description of each artwork is required in order to be considered for selection by the jury.
- We are unable to accept 3D works larger than 12" x 12" x 12" (accepted 3D works will be displayed on shelves mounted to the wall).
- Works smaller than 15 inches will be secured using security brackets.
- Delivered artwork must arrive wired and/or ready to hang with appropriate hardware attached.
- Gallery I is a heavily trafficked space, open to the general public including families and small children. Please keep this in mind when submitting work.
- Your application is considered a commitment to show work submitted if selected by the jury.

Deadline

The deadline for submission is 11:59 pm CST. At this time, the digital submission page will close and any applications received thereafter will be discarded. Please remember that submitting artwork for consideration does not guarantee inclusion in the show.

Notification of Jurying Decision

Entrants whose works are selected by the jury for inclusion in the show will be notified by email on Dec 2, 2014. Artists whose works are not selected by the jury will also be notified by email on Dec 2, and will have the opportunity to digitally showcase their work in a virtual gallery hosted on the Justified Art! website.

Sales

Artists may choose to sell their work, in which case the curators will contact the artist with inquiries. Please note that a 30% commission on each work sold will support the ongoing efforts of the Justified Anger coalition.
